Abstract: The Service enters into agreements and partnerships with nonprofit groups to facilitate and formalize collaboration between the parties in support of mutual goals and objectives as authorized by:

- The Fish and Wildlife Act of 1956 (16 U.S.C. 742a-742j);
- The National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd-ee), as amended;
- The Refuge Recreation Act of 1962 (16 U.S.C. 460k *et seq.*), as amended;
- The Fish and Wildlife Coordination Act of 1934 (16 U.S.C. 661-667e), as amended; and
- The National Wildlife Refuge System Volunteer and Community Partnership Enhancement Act of 1998 (16 U.S.C. 742f), as amended.

Since 2014, the Lenape National Wildlife Refuge Complex, in partnership with the New Jersey Chapters of the National Wild Turkey Foundation (NWTF), jointly administers mentored hunts on an annual basis. The mentored hunts occur on refuge property, and many of the mentors come from NWTF. The partnership provides would-be hunters with an opportunity to experience hunting by learning from Service staff and our partners through a mentored hunt program. The program not only provides the necessary hunting experience, but it also teaches the hunters about a variety of hunting topics, from ethics to shooting proficiency to wildlife ecology.

The program provides a great introduction to the rules and regulations that govern access, which can be a little overwhelming to new hunters. The Service's partnership with the NWTF helps new hunters to better understand access, rules, regulations, and setting up on public land. The program provides applicants with an opportunity to start a new family tradition, harvest their own food in a sustainable manner, or enjoy the outdoors in a new manner which is a safe, inclusive, and fun way to enjoy their public lands.

The Service requires all participants to sign the Service's "USFWS Release and Waiver of Liability," as well as a Form 3-2260, "Agreement for Use of Likeness in Audio/Visual Products," when they are on the Refuge. The New Jersey Chapter of the NWTF solicits and registers participants via the mentored hunt application. The application collects the following information:

- Basic contact information, to include name, address, phone number, and email address;
- Age at time of hunt;
- Customer Identification number (CID);
- Emergency contact (name and phone number);

- Applicant hunting history, such as:
 - Whether applicant has completed a basic hunter education course;
 - Whether applicant has purchased a hunting license, and if yes, when;
 - Previous hunting experience;
 - Previous participation in a mentored hunt program;
 - Interest in hunting;
 - Family history of hunting;
 - Whether applicant owns equipment and if yes, type of equipment; and
 - Medical conditions/allergies for program staff to be aware of in the event of an emergency.

The public may request copies of the application form contained in this information collection by sending a request to the Service Information Collection Clearance Officer in **ADDRESSES**, above.
